

Everybody let's sing!

Alvechurch Community Choir .

Rehearsal programme for March to July 2009.

Here are the dates for practices at Alvechurch Middle School on Monday evenings from 7.30-9.30pm.

At a later date we will arrange some events for the choir to sing at once a repertoire has been established.

The Monday night sessions will cost £2 per person, to cover refreshments and administration costs. We also hope to build up some funds to use for financing future concerts and events with visiting artists like Lillian Boutté and her band.

Monday rehearsals will be linked to school terms as this is when we can have use of the school building.

Please bring your own mug / cup with you!
