Laurence and Dave led us in another good evening yesterday, with another good turnout despite the cold weather. The new seating arrangement was really appreciated as well. There are some tricky harmonies, but it's lovely when we get them right!

I have a message from Hannah Genders:

"We have Moscow Drug Club coming to Rous Lench village hall in March. It was really fab last time and some of the choir members came. Could you send this out in an email to make them aware of it again? I have tickets which I can distribute. If anyone wants to come could they let me know by email on the hannah@hannahgenders.co.uk address."

For all of you who came to the gig before we have **MOSCOW DRUGS CLUB** coming back to the Village hall on March 10th Saturday at 7.30 only £12 Bar open. Mike will have some tickets on Monday if you have the money ready. Moscow Drugs Club includes some of the musicians who played with Lillian Boutte

I am attaching an update of the schedule up to April. Next week in the committee meeting we will agree the draft schedule for the rest of the year to July. Note the change of date for the AGM.
