

Alvechurch Community Choir
Newsletter 24 April 2018

Thank you, Laurence for another good, if exhausting, session yesterday. We have one more rehearsal to go before St Richards and then another one after that before the wedding, so make sure you are up to date with the songs and arrangements if you're coming to those. Back at the Village Hall next Monday. Thank you very much Holly for sorting out the flowers and card for Hannah and Mike. The florist was one of the original choir members, Kate Jones, who lives near Rowney Green where Mike and Hannah used to live.

I have the programme for St Richards Festival, which is attached. You will see that there are loads of other things to do there if you want a family day out. We have an hour on the programme, but that includes setting up and clearing out as the acts go on one after the other. The programme has a map showing where parking is. Give yourself time for this as it does get busy.

You may have picked up that there are new data protection regulations affecting charities. If you are to get the newsletter over the email you will have to re-register with ACC, otherwise we will have to delete you from the list. Soon I will be sending out a special email to you all asking you to do this by reply. Please take this seriously when it comes. It will be the one occasion when you are able to reply to this email! If you have difficulty getting the emails and are on Alison's "extra" list, you still need to do this to get on the official list, so I will sort out a way of you replying via Alison.

Don't forget the Picnic in the Park on 27 May when we are on at 1.30 this year, earlier than usual by popular request.
