

**Alvechurch Community Choir**  
**Newsletter 19 June 2018**

We were not too much depleted by that game going on somewhere on Monday, although Laurence did have us doing a football-themed warm-up at one point. Thanks everyone for coming. And thanks for everyone who has signed up for the Themba workshop on Saturday – it should be good! I sent out the schedule for the day last week but am re-attaching it – be there ready to start at 2.30 and bring your mug (no money or choir dress needed). Refreshments are provided. Help in clearing up afterwards will be gratefully received. Themba will be with us next Monday for our normal session as well. I have asked for the date of 9 November for our autumn concert, though I haven't had confirmation from the Village Hall yet. Get it in your diary provisionally!

Please make sure you have signed up for the end of term barbecue on 16 July as we need the numbers for the caterers – and please fill in the sheet if you want to do a "turn". The previous week you will have your chance to feed back your ideas about the choir in our annual discussion meeting. The week after we will be at the Crown, so remember to let Terry know any songs you want Laurence to do with us. There are two more summer sessions – 6 August at the Crown and 20 August at the Village Hall preparing for the performance on the 25 August at Avoncroft. That will be between 6 and 7 in the evening, after which you can enjoy the rest of the WI festival. You might like to look at some car-sharing to get there.

At our committee meeting on 9 July, a man called Sam from an arts charity will be talking to us about his project to create an arts trail in Alvechurch, which we will be involved in. Sounds exciting!
